

The Concordat to Support the Career Development of Researchers – September 2019

The University of Greenwich has signed up to the revised 'Concordat to Support the Career Development of Researchers 2019', commonly known as the **Researcher Development Concordat**. This is an agreement between [stakeholders](#) to improve the employment and support for researchers and researcher careers in higher education in the UK.

It sets out three clear [Principles](#) of **environment and culture, employment, and professional and career development**. The principles are underpinned by obligations for the four key stakeholder groups, **funders, institutions, researchers and managers of researchers**, to realise the aims of the Concordat.
