The Painted Hall and Chapel

Dubbed the UK’s Sistine Chapel, the Painted Hall is a hidden gem in the heart of Greenwich. This 18th-century masterpiece has a stunning painted interior and recently reopened following an £8.5 million conservation project which has restored the interior to its former glory.

Join us on a campus tour and discover the Painted Hall at the Old Royal Naval College for free (standard entrance fee £12). Tours also include the Chapel. Housed in the eastern domed building at the Old Royal Naval College, the Chapel is a beautiful place to visit and is still an active place of worship.
